

## **Nuclear - Lead Auditor Examination**

Date: Friday, 23 February 2024 – Online

Now available: The NQA-1 Lead Auditor Examination.

To round off our Nuclear Code Week we are now offering the examination of candidates for Lead Auditor, Auditor, or technical Specialists.

Our team will customize a set of Multiple choice questions exactly for the scope you indicate in your application. The questions will all be based on the contents of the related courses. Although participation in this week's courses is not a prerequisite, we strongly recommend it to fulfill the training requirements for Lead Auditors (NQA-1 Requirement 2, 303.2).

You will receive your questions as a customized PDF-Form, and answer them in front of your webcam under our surveillance. At the end of the given timeframe you will return your answers to CIS and we will evaluate the results.

After our evaluation we will return the graded examination for your record keeping with certified results.

Please note that a stabile internet connection, webcam and microphone are required to take the exam. You will certainly understand that no correspondence, communication, or cooperation can be tolerated when answering the questions.

The examination language is English.

**Duration:** 10:00 – 12:00 (GMT+1)

Please indicate: Lead Auditor according to:

- ASME Section III for PART Manufacturers
- ASME Section III for COMPONENT Manufacturers
- ASME Section III for MATERIAL ORGANIZATIONS
- NQA-1 for Suppliers of Subcontracted Services
- NQA-1 for Safety Related Items
- 10CFR50 Appendix B
- 10CFR71 Subpart H
- Others, please indicate:

Instructor: Dr.-Ing Dirk Kölbl (Authorized Nuclear Inspector Supervisor / Lead Auditor)

Phone: +49 201 74 72 75-11 - E-Mail: [koelbl@cis-inspector.com](mailto:koelbl@cis-inspector.com)

Dirk Kölbl is a qualified Authorized Nuclear Inspector Supervisor for ASME Code Section III, Division 1 and 3 activities and is an Authorized Inspector Supervisor with experience in Sections I, IV, VIII, and X. In over 25 years of experience he has prepared a large number of companies all over the world for their ASME Joint Reviews and Nuclear Surveys. He has participated in hundreds of audits of manufacturers, engineering companies and suppliers. Dr. Kölbl is member of ASME NQA EUWIG and certified Lead Auditor according to ASME NQA-1 with auditing experience in the fields of material, components, services and engineering. His experience and professional teaching skills make him an effective and entertaining instructor.
